Washington State Department of Social and Health Services, Research and Data Analysis Division  
Client Services Database, 12/12/01

Client counts are rounded to the nearest five and represent the number of people living in Washington and receiving DSHS services.

Clients typically use more than one service and program. DSHS and Program totals are unduplicated counts of persons using one or more services.

\* Data period: State Fiscal Year 2000 (July 1 to June 30).
